By EDDIE NEILAN

Today's Tidbits: "Back from and back to work" was the status of a good number of Yankees last Monday. All agreed that Easter vacation was fine and enjoyable. With their sights

Eddie Neilan

set on summer vacation, a good 45 school days away, most Yanktowners are settling down and getting back into their studying stride ... The Federalist's April Fool issue drew varied comments from all campus corners. The kids who showed up at school last week after reading the "Easter Vacation Called Off" story, carried things a bit too far, though ... Jim Hughes got nosed out in another tennis match Tuesday. Guess he's just in the wrong racquet!

ALUMNI HOMECOMING EVENTS SLATED TODAY

Hamilton's alumni will be in the spotlight today at the various events which are part of the annual Alumni Homecoming Day celebration. A baby show, tea, Seniors vs. Alumni basketball game, and a dance tonight at the Westside Tennis Club will be the day's top attractions ... Alumni members are also invited to attend this afternoon's Hollywood-Hamilton track duel on the local oval. Dave Patterson's Fed cinder crew will have a good chance of dumping the Sheiks ... All students are urged to attend the meet and give out with some of that good Yankee spirit and support that was so much in evidence at the football games.

BASKETBALL, TRACK, GYM TEAMS DESERVE SUPPORT

Speaking of sports, the support at school athletic contests this semester has been miserable, to say the least. Witness the 100-odd supporters who turned out for the recent Uni-Hami trackfest on our cinders ... Baseball also deserves student attendance. Ron Peyton, the club's standout sticker, let it slip the other day that he wished SOMEBODY besides N. Y. Yankee scouts would come to watch him play. Seriously though, Ron wouldn't say a thing like that. His bat speaks for him—he's hitting an extra-lusty .087, according to his publicity manager, whose initials are E. N.

Chatelaines Members

New members accepted into the Chatelaines last Monday night include Judy Kohn, Charlene Lacy, Pat Minton, Nasha Rufa, Carol Laseter and Valerie Wright.

TRYING OUT HAMILTON'S NEW SENIOR LUNCH COURT and talking over the Alumni Homecoming agenda are Virgil Peckman and

Mrs. Walter Swartz, president of the alumni association. Today, Homecoming Day, will feature many special and unusual events for ex-Yanks.

Zanderettes Serve As Hostesses at Tea

The Zanderettes were hostesses at a tea given for the new members and their mothers last Thursday afternoon in the teachers' cafeteria.

Before the tea and cookies were served, there was a brief ceremony in which the eight new members were formally admitted into the club. The new girls are Anne Alpine, Ruth Ginsberg, Marlene Gordon, Barbara Levin, Barbara Levinson, Joan Mauer, Memphis Questell and Esther Uzel.

There was also entertainment, which was provided by Marlene Gordon who sang, accompanied by Shirley Weinstein, and a piano solo by Louise Goodhart.

Third Annual Career Commencement Meet Set

Members of the Student Executive Committee are holding their third annual career commencement May 10, at the Biltmore Hotel. Twenty-four delegates from Hamilton are invited. Talks will be given on preparing for the future business world. The day is sponsored by the Los Angeles businessmen.

Study Solar System

R. F. Miller's Modern Science II classes have been studying the many interesting aspects of the solar system. One of the alarming facts they learned is that in seven billion years the sun will probably become a cold, dark star, since it is losing matter at the rate of two tons per second.

George Rodriguez to Speak At Pan-American Assembly

Latin-American Speeches, Music Highlight Event

Hamilton's guest of honor and speaker at the Pan-American Day assembly will be George Rodriguez.

A musical surprise at the assembly will be the appearance of the band playing two popular Latin American songs, "Perfidia" by Albert Dominguez, and "Argentino" by Stanley Domerell.

Gloria Barismantob will preside over the assembly and introduce Mr. Rodriguez.

Another interesting feature of the Pan-American Day will be the playing of Latin American popular music on the lunch court at noon and between passing periods during the day.

Alumni who are visiting the school in the morning are especially invited to attend the assembly.

T. B. Survey Planned

April 17, 18 and 19 have been set as the days for the tuberculosis survey at Hamilton as a part of the national plan which will x-ray every person 15 years or older. Mrs. Ruth Fitzgerald, health coordinator, will be in charge.

GEORGE RODRIGUEZ

Distinguished Visitor

Honoring Hamilton by a visit yesterday as part of his nationwide tour of American high schools was Dr. Galen Jones, U. S. Commissioner of secondary and elementary education.

Graying, distinguished Dr. Jones feels that the active student government, the social courses, and companionable atmosphere found at Hamilton are a great aid in obtaining a truly useful education.

"Not many schools have a government which carries so much responsibility as yours," the noted educator stated.

Former Yanks Recall School Days on Hamilton High Campus

"School days, school days—dear old golden rule days!"

Today, Alumni Homecoming Day, ex-Hamiltonians are recalling the days of their reading, 'riting, and 'rithmetic as they once again crowd the halls of their alma mater.

Alumni Homecoming Day is an annual event at Hamilton High School. Nineteen years of graduating classes return today to old, familiar scenes. The scenes, however, may not be as familiar as they used to be. As one alumnus said recently, "The old place really looks different now, compared to how it looked back in '32."

The First Ladies are acting as official hostesses for the entire day. The basketball game between the Seniors and Alumni, which will take place during the last half of the lunch period, is sponsored by the Boys' League.

Mrs. Walter Swartz, president of the Alumni Association; Virgil Peckman, ex-president, and board members have planned many and varied activities for today. Entertainment includes a baby show at Hamilton House from 1:30-2:30, featuring offspring of the alumni. A Pan-American assembly and a tea have also been scheduled.

Setting a precedent, the Alumni Homecoming Dance will be held at the Westside Tennis Club tonight, at 8:30. Those holding Alumni Association cards will be admitted free.

The alumni who are now mothers of wee ones needn't worry about their tots, for a nursery has been provided in the H. E. 24 for all day care. The girls who will act as baby sitters will be from the child guidance classes.

A luncheon will be available to the alumni in the student cafeteria. It is requested that all ex-Hamiltonians enter the west door of the cafe.

Jr. Philharmonic Recital Date Set

Hamilton's noted Junior Philharmonic Society has scheduled its semi-annual concert for April 26 and 27. The performance on Wednesday afternoon, April 26, will be for students and faculty members. Students, parents, and the community are invited to the performance on Thursday evening, April 27.

Mrs. Pauline Bogart, sponsor of the group, states that this concert is expected to be one of the finest ever presented at Hamilton.

Kid Ory's Dixieland Band to Play in Yank Auditorium Next Week

A special treat is again in store for the Yankee student body! "Well shut my mouth!" Yes, the Student Body Cabinet, after weeks of careful planning and preparation, is proud to present, on Thursday, April 20, in a 4A and B assembly, the famous Kid Ory and his Dixieland Band.

"Music the way you like it," is Mr. Ory's slogan. Anything from red-hot Be Bop to smooth rocking rhythm.

Student price is 30 cents. You won't want to miss this terrific show, and you can bet your life it'll be a crowd pleaser.

See you there!

but "the more the merrier" agreed the 31 Yankee co-eds who were stationed at a quaint, but small dwelling in Balboa. Nancy Porter, Carol Phelps, Beverly Reesman, Babs Frieberg, Louise Anstead, Myrna Tanner, JoAnn Reeves, Charleen Lacy and Kathy Kirkland were lucky gals who rated beds . . . SNAKE SHAKES UP LOCAL SHINDIG

A three-foot snake captured by Don White, Leigh Palmer, Aaron Cohen, Bill Glickman and Dick Shapiro caused quite a riot at a party recently. While the snake was running about, the snake lover, Roy Spile, exclaimed: "Some people just don't appreciate the wonders of nature."

QUESTION— IS IT PALM SPRINGS, OR HOT SPRINGS?

This is the probing question asked by Jim Flannery, Bill Wilson, Bob Porteous and Bob McMickle who supposedly spent Easter in Palm Springs. But, it was s-o-o-o hot (104) they're writing to the chamber of commerce to change the name.

PATIO PARTY WITH FUN FOR ALL AND THIS ONE WAS REALLY LIKE A BALL

Brickbats Tossed At Bottled Blondes

Dear Editor:

In spite of the many radio commercials to do with razor blades and shaving lotions, the news has evidently slipped by a few of our campus men who persist in wearing gottes and unchecked stubble.

Few (if any) know that this is a school violation, as it is unhealthy and tends to start a fad. Take hair bleaching; one does it, and the next day the school is crowded with blondes and red heads.

The few who grow moustaches walk around like wheels thinking they are Clark Gables . . . when really this added hair makes them look like donkeys.

There are many years ahead of us in which we can grow hair but for now, let's act like school kids. —D. S.

One of Hamilton's mighty Senior Ayes, Dale Hackler, suffered a broken leg and an injured right ankle the Thursday before vacation when he was struck by an automobile at Cattaraugus and Canfield.

What masculine teacher around Hamilton campus has proved himself very adept at picking up dropped stitches in the girls' knitting? Besides fixing these mistakes, he is an expert knitter!

The Girls' League Cabinet held another of its huge sales of suckers recently, on the lunch court in the cafeteria, and in the main building. They are planning another sale soon and will sell the suckers for two cents each.

As a result of a discussion of electricity in Miss Nellie Rogers' chemistry class, some students are trying to arrange to have the school carpeted, to enable them to rub their feet and give static shocks to various unnamed people.

THREE HEADS BETTER THAN ONE

DISCUSSING PLANS—for today's Homecoming are Walker Brown, principal; Mrs. Walter Swartz, president of the Alumni Association, and Virgil Peckman, former president.

Orchids to You Both!

The first Federalist orchid winner for this week is a very highly recommended and hard-working A-10 girl.

Since entering Hamilton in the B9, Miss X has really done her share of hard work; she has worked in the library for four semesters and has been very helpful to Mrs. Revier, the librarian.

She has also worked in the cafeteria every semester since she came to Hamilton. In the B-9 and A-9 this earnest and responsible student worked in the attendance office before school, and in the latter part of her

B-10 term she started working before and after school in the student store and business office, respectively.

The second deserving party for the other orchid this week (the Easter Bunny failed to pick his last week) is also a very hard working individual.

A member of the Castilian class, this orchid winner is also a member of the Green Key club, is secretary of the Barons and is in the Letterman's club. Mr. X has also won himself acclaim by being vice-president of the student body this semester.

His athletic abilities have made him right guard on the football team and he played Bee football for two years and Varsity for one year.

On the track team he is a fine pole vaulter and has worked hard for the track team for four semesters. Beginning with Bee track for one semester he then played on Bee for two years and finally has been on Varsity for one year.

If you haven't guessed the names of these two orchid winners please turn to the Sada's ad elsewhere in the paper.

Feds Play Host to Hollywood Hi Tracksters

Locals Seek Initial Western League Win; Sheiks Boast Lippincott, Loop's Best Hurdler

The Hamilton track team, still gunning for its first win, plays host to the Hollywood Sheiks this afternoon on the home oval. The Redshirts have fared only slightly better than the locals in their league meets by defeating only Fairfax, while the Yanks have gone winless in losing to Dorsey, University and Los Angeles.

Yank Win Streak Halted at 17 Wins

"All good things must end!" That is especially true in the world of sports, where records, and win streaks are made to be broken. After 17 straight dual wins, Claude Turley's Hamilton gymnasts were downed by a 70-50 score the day before Easter vacation started by Bob Crippen's mighty Fairfax Lions, in the Melrose Boulevard pavilion.

From start to finish it was a sorry day for the Yanks, who performed before 800 people, of which 50 were Fed rooters.

The meet's outstanding man was Fairfax's Bob Selzer, who grabbed firsts on rings and parallels, a tie for second on side horse, and a fifth on the long horse for 14½ big points.

FLASH! Hamilton's gym team scored 27½ points to Fairfax's 38½, to finish second in the Western League meet yesterday.

The Lions got off to a running start when Don Lippman, Bob Packlay and Don Hammond gave Fairfax a 14-1 advantage on the rope.

The Yank stronghold again was the high bar; Mark Linnes, Bob Garden, Bob Morris, and Gene Barnard went 1-2-3-5 for a 13-2 score.

Other shining lights: Jack Rich still undefeated on the side horse, his blue ribbon performance being his sixth straight league win; John Klein's sensational first in free ex.

The main first place hope for the Feds is Mason Benner in the shot-put. He is now the fourth best putter in the city because of his 50 ft. ½ in. heave in the L. A. meet last week. Although Benner seems like a sure winner in his pet event, he may be the only Yank to grab a blue ribbon as Hollywood's depth in the other events and especially the hurdles, will most likely give them their second win.

Outstanding for the Sheiks is hurdler Larry Lippincott, who is the best stickman in the Western League. Lippincott has times of 20.5 in the lows and 15.4 in the highs.

The L. A. Romans trounced the locals in the last outing on the Friday before vacation by the margin of 76-35.

The only firsts for the home-breds were the surprising wins of Mason Benner in the shot-put over L. A.'s John Taylor and in the relay because of a forfeit by L. A. Second places taken by the Yankees were Bill Adler, low hurdles; Bob Campbell, 880; Ron Wreesman, high jump; and Norm Salisbury, broad jump.

Slatkin Throws Yank Win

After going 12 scoreless innings earlier this week, the Hamilton Yankee horsehide crew outlasted Hollywood High 4-1.

The Yanks sparked by Don Moore's triple and two singles and the strong right arm of pitcher Jack Slatkin enabled the locals to vanquish the Sheiks in the so-called unlucky thirteenth.

The fatal tally proved to be a nifty bunt by Joe Navarro which outer gardener Babe Abarta from third base.

Hamilton Fans Help Win Game

By LANNY LEWIS

On bended knees we beg of you,
Oh, please, grand team, oh, please come through.
But why, staunch friend, why even pray?
For Yankeeville was bagged, once more today.
Jack has a good pitch and Ronnie a bat,
But we still don't win, even with that.
It's the same old answer to this thought
The mind is willing but the spirit is not.
"Whose spirit is lacking?" you may ask.
It's yours, Hamiltonian, so do your task.
Redeem yourself for being a sinner,
Support your team and make it a winner.

BOB GARDEN
HAMILTON HIGH
GYMNAST

EVEN THOUGH DEEP SEA HUNTING WITH SEAR IS HIS HOBBY, THERE'S NOTHING FISHY ABOUT BOB'S CLAIM TO THE WESTERN LEAGUE HIGH BAR CROWN HONORS AND CO-HONOR ON PARALLEL BARS.

★ High School Hall of Fame

When a high school athlete becomes a member of the Daily News Hall of Fame he automatically qualifies for his top thrill. This is the highest pinnacle an athlete can reach during high school.

So it is with Bob Garden, the third Hamiltonian to be so honored by the Daily News. When the question was popped: "Was the Hall of Fame your top thrill?" the answer was: "By far!"

Always a natural gymnast, Bob was slow to shine, because in his first year the Yankees were blessed with Jerry Westrick, one of the greatest all-around men ever to attend this school. Nevertheless, there was never any doubt that Bob would attain greatness.

In his second year, already a veteran Letterman, Garden found that Westrick and the nucleus of a Western League championship team had graduated. Then Bob proved to everyone that the title of "The most promising gymnast to ever at-

tend Hamilton" was not misplaced on him. In 13 meets that year he proceeded to roll up 132 points top in the tough Western League, to again lead the Yankees to a Western League Championship.

Not content with his dual meet record, he grabbed two firsts in the Western meet on the parallels and high bar, his specialty. Going on to the All-City meet, as an 11th grader only, he took two thirds. Again he was high point man.

Since he became a senior, there has been no stopping the Garden of Hamilton, as he has won a first place on the high bar and parallels in every meet this year.

Then as a climax, a photographer from the Daily News took his picture, from which the drawing above was made.

The Hamilton-Bob Garden Story has not ended yet, but when it does, everyone feels sure it will be in a blaze of glory.
