**LURIE LEVY**  
12TH GRADE REP

Hi I'm Laurie Levy and I'm hoping to be a 12th Grade Representative in the coming fall semester. Of course, I'm not able to tell you who to vote for nor can I say anything that would convince you to vote for me. But I will tell you why I want this position so much—and that's because I want to do something good for my school in my senior year. I was a 10th grade representative and I'm confident that I can do a good job. Please vote for me. I appreciate and need your support. Thank you!

**Treasurer**

No matter how many good ideas are put up for student activities nothing will be accomplished unless the treasury can provide the financial backing. I realize the importance of an efficient treasury—especially for us, the senior class. I also realize the dire need for ambitious fund-raising. I've got the ideas and the ambition to give our class financial support for the most exciting year ever! So remember, vote for Tonita Abeyta as Senior Class Treasurer.

**ROBERT LURIE**  
12TH GRADE VICE PRESIDENT

My name is Robert Lurie, and I'm running for Senior Class Vice President. I feel sure I am qualified for the position, for as a sophomore I held the offices of Vice President and treasurer, and as a Junior, I acted as Nevian's Presidential Aide and Vice President, for I've had the experience! If elected, I will see to it that we have a great fall semester.

## Secretary

My name is Carole Bodney and I have successfully served this spring semester as Junior Class Treasurer. Being on Student Council is really work, especially, if you're an officer or a commissioner. Also after working with the current Secretary, Elenore Williams, I know what to do and have enough experience to be the Victorian Class Secretary. I know the basics of secretarial duties and keep records very well. In addition to this, I have very legible writing. Be victorious, vote for Carole Bodney, Sr. Class Secretary

### LIFE OF A LADY

*Look at me baby while I  
Wig away. Do you think I'm crazy  
Because I don't see things your way?*

*Watch me as I ride with the  
Sky. I do this cause I don't want  
To see you cry.*

*You wonder why I'm going west,  
Cause you're always thinking I'm  
Somewhere else warming somebody  
Else's flesh.*

*See when the rain comes down  
I still know you will be around.  
And when the sun burns hot, I know that  
You're all that I've got.*

*You force me to ride on air, and  
Then, when I come down you're  
Not there.*

*Once, long time ago, when we met,  
There was a freezing part of my  
Life that only your sun could melt.*

*I know I wasn't too cool from  
The start, but after a while I  
Was dancing in your heart.*

*Still, yet you don't know me, and  
You're always trying to find something  
Wrong about me.*

*You would look through the window  
And see you come in the door.  
That's some place that I've been  
Before.*

*If you just lay back and let Nature  
Take its place, the sweetness of life  
Is all you will taste* **TITUS NORRIS**  
February, 1982

*Why should Mother Nature whore for our mistakes?*

*Pimped by progress  
While progress pimps prosperity  
Which is also pimping poverty to pay for progress  
While progress pollutes our minds  
While we pollute her home.*

*Mother Nature is being pimped for a paycheck  
To patch up this hell-hole we've created.*

*Is she whoring in vain?*

*Destined to pour out a pillage of devastating perils  
Upon our perforated necks...  
Or will we curb the "Million Dollar Performances"  
And protect her home?*

*We don't own this place  
We're just occupying space.*
